

**Waiver Process for Student Health Insurance at Villanova**

Please see instructions they provided below. Should you still have questions, please contact First Student at 1-800-505-4160 or by visiting their [website](#). We have not had any VA students have an issue waiving the insurance so hopefully the instructions below are helpful.

- Where we ask for “Member ID Number” they should input Benefits Number as this is how it is labeled on their Veteran (VA) ID card
- The VA Benefits/TRICARE are listed on the drop down option about what type of insurance they have
- Anyone on TRICARE (including dependents) get issued and US Uniformed services ID card with their information on it. They can also request “proof of insurance” from the [TRICARE portal](#).
